Re-pot Your Flowers Now

It's an easy matter to beautify your home by having a
few pots of flowers around. Give the roots plenty of room
with fresh ric. and you will be surprised to see how
rapidly they will bloom and grow. First you should have
the right kind of -

Flower Pots

And the kind we have are the most substantial, the neatest
and best shown anywhere. We have the large fancy rimmed
pots in light color, at 10c to 50c.

The fine Jardineers in large sizes would make ideal pots
for large plants. They come in several sizes, and many
pretty styles, at 35c to \$2.50.

You will need a sprinkler in order to keep these flowers
in perfect condition. We have the medium and large sizes,
easy to handle, and good values at 40c to 60c.

Next Week

We will show an attractive line of housewares, all the newest
things. Watch our ads and read carefully for values such as
we offer you all the time in high class goods that cannot
be matched anywhere, at our low prices.
